Re excess expenditure of ₹ 490-8-0 over the budget allotment for public works in Belur Municipality

---

With reference to your letter No L 11773 dated 7-6-1945 enquiring as to the budget allotments for the works in question during 44-45, I have the honor to state that a lumpsum provision of ₹ 3000/- was made in the Budget of Belur Municipality for 44-45 for road repairs and details of works to be undertaken during the year were not specified The Municipal President of Belur has reported that some works had already been executed, that certain works in addition to those mentioned previously had to be taken up urgently which resulted in the excess expenditure over the budget allotment It is also stated that advances paid to contractors and deducted in work bills were adjusted during June 1945 and that the actual excess expenditure is found to be ₹662-6-3

The Municipal Council have sanctioned this excess expenditure at their meeting held on 2-7-45

I request that sanction of Government may kindly be obtained to the excess expenditure of ₹ 662-6-3 instead of ₹490-8-0 as previously recommended in the circumstances now explained by the President This amount has already been paid out of the closing balance of the Municipality for 1944-45

A copy of the resolution of the Municipal Council dated 2-7-45 is enclosed

Sir,

Excess expenditure over and above the budget allotment for public works in Belur Municipality

---

With reference to your letter No. L 4466 dated 20-9-47 calling for certain information, I have the honor to state as follows -

The Municipal President, Belur was requested to intimate the actual expenditure incurred over and above the budget allotment and to furnish details of works executed. A copy of the list furnished by the President showing the details of works executed during the year 1944-45 is enclosed. According to this statement the total expenditure is Rs. 3566/- During the course of the audit of the accounts of this Municipality for 44-45 the auditors have observed that against the budget provision of Rs. 3000/- a total expenditure of Rs. 3566/- has been incurred and that approval of the Deputy Commissioner should be obtained for this excess expenditure over the budget allotment. It is seen from the extract of the audit note that the excess expenditure is only Rs. 566/- The Municipal President has not explained the reasons for the difference in the figures mentioned in his previous letters inspite of several requisitions but he has intimated that the actual expenditure is Rs. 3566/- as per audit note. The variation in the figures furnished previously might be due to wrong classification or delay in preparing the accounts in the Municipal office properly. As further reminders to the Municipal President will be of no use except causing delay in the disposal of the matter the concerned official has been warned for the disparity in furnishing the figures.

I request that sanction of Government may kindly be obtained to the excess expenditure of Rs. 566/- as observed in the audit note, incurred for public works over and above the budget allotment. An extract of the audit note is also enclosed together with a copy of the resolution of the Municipal Council in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
